

## Atlantic Worm Pump AWP 5

Atlantic Worm Pump AWP 5 is the world's most versatile mortar pump. It can handle different materials such as pre-mixed plasters, cementitious fire-proofing materials, site mixed mortars, acoustic, fiber-glass reinforced materials and many more. The modular pump system makes it simple to operate, economical to maintain and capable of spraying wet mortars with grain size of up to 5 mm.

### Special Features:

- ✓ Geared Motor with Safety Lock (No unintentional speed change).
- ✓ Air Compressor support plate.
- ✓ Plug & Play - Machine comes complete with mortar hose, air hose, spray gun, nozzle and remote control.
- ✓ Lifting Eyes - Easy to move the machine to higher floors of a building/steel structure using on site lifting equipment.
- ✓ 20 m Remote Control Cable enables easy operation of the machine from a distance.
- ✓ Cam Shaft Controller facilitates quicker mixing in the pan mixer while pumping is in progress.
- ✓ Safety System - High level of safety for the Operator, as the limit switch will stop the machine, if the hopper lid is opened during operation.

## ATLANTIC WORM PUMP - Electric Model

Model	AWP 5
Version	Worm Pump with Pan Mixer
Worm Pump	2L6 Rotor Stator
Delivery Rate*	7 - 40 litre/min
Delivery Pressure	25 bar
Delivery Distance*	60 m
Delivery Height*	40 m
Worm Pump Drive Motor	5.5 kW, 400 V Variable Drive
Pan Mixer Capacity	100 litre
Mixer Drive	2.2 kW, 400 V
Max. Grain Size	6 mm
Outlet Connection	M 50
Dimensions (L x B x H)	2290 x 680 x 1150 mm

\* All data is based on experience and dependent on the materials used. Machine design and construction are subject to technical modifications and upgrades.

**AWP 5 - Applications:** Suitable for a variety of mortars for several applications.

- ✓ Plaster base coat.
- ✓ Texture coatings.
- ✓ Insulation coatings.
- ✓ Fire proofing material.
- ✓ Lime cement mixed mortars.
- ✓ Available in 16 Amps and 32 Amps.
- ✓ Grouting materials.
- ✓ Masonry mortar.
- ✓ Non-Shrink grouts.
- ✓ Anchor filling mortar.
- ✓ Concrete repair mortar.
- ✓ Self-leveling liquid screed.

With a variable output from approx. 7 - 40 litre/min, the AWP 5 can be adjusted to work for a variety of applications.
