

## ATLANTIC REFRACTORY PAN MIXER

### RPM 350

Atlantic Refractory Pan Mixer is a heavy-duty, portable electric mixer. Its telescopic adjustable legs offer various loading and unloading heights, to suit all project requirements. The base frame has in-built forklift pockets that enable easy movement around the job site.

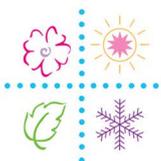

The RPM 350 Mixer is a well-designed machine, fitted with mixing blades and replaceable wear plates on the inner side and bottom of the mixing drum. This high power pan mixer facilitates homogeneous mixing of tough mixtures such as thick cement slurry, adhesive grout, masonry mortar, concrete, fire retardant and refractory materials.

### ATLANTIC CONCRETE PAN MIXER - SPECIFICATIONS

Model	RPM 350
